

Your in-house designer and editor, without the hire.

One monthly fee covers all the creative a consumer brand needs: social, motion ads, video, email, packaging and print artwork, and web. A senior designer does the work himself, you don't join a ticket queue. First drafts in 24 hours. Month to month, cancel any time.

DESIGN + MOTION

HOW IT WORKS

Brief by 5pm, draft in your inbox by 9am (Sydney time). Send briefs by email or Slack, with one shared board for every request.

Billing. First month: 50% to start, 50% on day 15. After that, invoiced on the 1st, due within 7 days. No lock-in: give 14 days' notice to stop.

You own everything. Source files (AI, PSD, After Effects, Premiere, Figma) are delivered with the finals.

Payment. International bank transfer (SWIFT) · Payoneer · Wise.

Not included: 3D, photo/video shoots, voiceover talent, media buying, print production and vendor management, stock licences beyond standard.
